

## EcoEquitable Home Décor Price List

Updated March 2, 2015

EcoEquitable is proud to offer both residential and wholesale Home Décor services to the Ottawa market. EcoEquitable has a diversity of equipment onsite in Vanier, Ottawa as well as the expertise to fulfill both your home projects and wholesale needs. We prioritize the use of recycled materials and hire immigrant and marginalized women who are seeking experience in the textile industry.

For more information or to place your order, please contact Anouk Bertner, Director of Business Operations at 613-562-1739 or [anouk@ecoequitable.ca](mailto:anouk@ecoequitable.ca)

Orders take between 2-12 weeks depending on size of order, complexity of project and availability of fabric.

### **EcoEquitable: Recycling Fabric, Changing Lives**

EcoEquitable is a non-profit organization providing a bridge to social and economic integration for people in need, especially immigrant women, while greening the community. EcoEquitable offers intensive 5-month sewing programs to immigrant women - allowing them to join the Canadian textile industry, by selling recycled fabric in our boutique, by offering contract sewing for conference bags and promotional items on site at 404 McArthur Avenue, Ottawa.
